

EB208U3-B

BRICK
Aluminum 2.5" HDD Enclosure

2.5" HDD Enclosure

Features

Ultra-compact and lightweight

Pocket-sized enclosure for best possible portability.

Precious and sturdy

Elegant and robust HDD case made from brushed aluminium.

One Screw Design

Quick and easy HDD installation.

Plug&Play

Due to high-speed USB 3.0 with up to 5 Gb/sec.

SATA to USB 3.0

Supports 2.5" SATA (I & II) HDD with 4.500 to 10.000RPM.

Good cooling performance

Optimal heat dissipation thanks to air vents in the front and aluminium case.

USB power source

No external power source required.

Dual mode status indicator

Blue and purple LED shows power and access status.

Secure transportation

Leather-look carry bag protects case and HDD during transportation.

Immediately ready for use

Screw driver included.
